Regulations

1. The total number of credits required for graduation is 128, including 28 university-required credits, 9 college-required credits, 57 department-required credits, and 34 professional elective credits.
2. Students in their first to third years may take 16–25 credits per semester, while fourth-year students may take 9–25 credits. Detailed regulations are governed by the University Academic Regulations.
3. In accordance with the University's implementation guidelines for Chinese proficiency, English proficiency, information technology competency, and physical fitness, students must pass all required assessments to be eligible for graduation.
4. Students must meet the assessment standards stipulated in the Department's "Implementation Guidelines for Professional Competency Evaluation" in order to graduate. Students who pass the University's "Implementation Guidelines for Student Information Competency Evaluation" and obtain the relevant certification shall have it recognized by the Department as a foundational workplace information application certification.
5. Students may take courses offered by other departments that are not available in this department. Upon departmental approval, up to 20 credits (including interdisciplinary program credits) may be counted toward professional elective credits. Students may also take courses at other universities, limited to one course. Credits earned will be included in the calculation of external elective credits. Inter-institutional enrollment shall follow the University's "Implementation Guidelines for Inter-Institutional Course Selection."
6. For elective courses offered by the Department that are designated with "(I)" and "(II)" as sequential courses, students who have not completed the prerequisite course "(I)" may not enroll in the subsequent course "(II)".
7. Students participating in the Ministry of National Defense Reserve Officers' Training Corps (ROTC) who have completed required training and obtained certification may apply for exemption from internship courses. Students applying for a full-semester internship exemption must complete registration and enroll in additional courses totaling at least 3 credits during that semester..
8. For internship courses, each credit shall correspond to a maximum of 80 internship hours.
