Regulations

1. The graduation requirement is 128 credits, including 28 university-required compulsory credits, 9 college-required compulsory credits, 57 department-required compulsory credits, and 34 professional elective credits. The college-required compulsory credits are divided into the Design Discipline (Department of Visual Communication Design, Department of Digital Media Design, Department of Creative Product Design, and Bachelor's Program in Comics and Animation Arts) and the Fashion Discipline (Department of Fashion Styling Design, Department of Fashion Design, and Department of Fashion Business Management). Students shall complete the credits required by their respective discipline. Students intending to take courses across disciplines must obtain approval from the department chair.
2. Students in their first to third years may take 16–25 credits per semester, while fourth-year students may take 9–25 credits. Detailed regulations are governed by the University Academic Regulations.
3. In accordance with the University's implementation guidelines for Chinese proficiency, English proficiency, information technology competency, and physical fitness, students must pass all required assessments to be eligible for graduation.
4. Students must meet the assessment standards stipulated in the Department's "Implementation Guidelines for Professional Competency Evaluation" in order to graduate. Students who pass the University's "Implementation Guidelines for Student Information Competency Evaluation" and obtain the relevant certification shall have it recognized by the Department as a foundational workplace information application certification.
5. Students may take courses offered by other departments that are not available in this department. Upon departmental approval, up to 20 credits (including interdisciplinary program credits) may be counted toward professional elective credits. Students may also take courses at other universities, limited to one course. Credits earned will be included in the calculation of external elective credits. Inter-institutional enrollment shall follow the University's "Implementation Guidelines for Inter-Institutional Course Selection."
6. For elective courses offered by the Department that are designated with "(I)" and "(II)" as sequential courses, students who have not completed the prerequisite course "(I)" may not enroll in the subsequent course "(II)".
7. For internship courses, each credit shall correspond to a maximum of 80 internship hours.
8. Students participating in the Ministry of National Defense Reserve Officers' Training Corps (ROTC) who have completed required training and obtained certification may apply for exemption from internship courses, up to a maximum of 10 credits. Students applying for a full-semester internship exemption must complete registration and enroll in at least one
